Depletion

Affective Synergy

Lifeless in my room
See it turn to gray
It's outside her window
Before it gets too lateI walked by
I walk out there somewhere
And it's only if I'm cryingIf I could be your one
Skin it turns too quick
It's outside your brain storm
Before it gets too lateI walked by
I walk out there somewhere
And it's only if I'm crying
All of the time
Make up my mindWatching in a world
It's about to break
It's outside your window
Before it gets too lateI walked by
I walk out there somewhere
And it's only if I'm crying
All of the time
Make up my mindI walked by
I walk out there somewhere
And it's only if I'm crying
All of the time
Make up my mind
