

# Just What I Needed

## Faber Drive

I don't mind you coming here  
Wasting all my time  
'Cause when you're standing, oh, so near  
I kinda lose my mind  
It's not the perfume that you wear  
It's not the ribbons in your hair  
I don't mind you coming here  
And wasting all my time  
I don't mind you hanging out  
And talking in your sleep  
It doesn't matter where you've been  
As long as it was deep, yeah  
You always knew to wear it well  
And you look so fancy, I can tell  
I don't mind you hanging out  
And talking in your sleep  
I guess you're just what I needed  
I needed someone to feed  
I guess you're just what I needed  
I needed someone to bleed  
I don't mind you coming here  
And wasting all my time, time  
'Cause when you're standing, oh, so near  
I kinda lose my mind, yeah  
It's not the perfume that you wear  
It's not the ribbons in your hair  
I don't mind you coming here  
And wasting all my time  
I guess you're just what I needed  
I needed someone to feed  
I guess you're just what I needed  
I needed someone to bleed  
Yeah, yeah, so bleed me  
You're just what I needed  
You're just what I needed  
You're just what I needed
