

Thinking of You (feat. AJ Tracey) [Cadenza Remix]

Mabel

I'm thinking of you
I'm thinking of you
I'm thinking of you Why can't I tell if you're into me
I'm a nine, you're a five
Been away for a couple of weeks
It could be more 'cause I lost track of time
Driving on the wrong side thinking of you
On the tenth floor thinking of you
And it isn't like me to be insecure
Oh, what have you done to my mind? Whoa Wanna be with you
Wanna be with you
Oh my god, I'm a mess
Boy you got to me, got to me
You know you got to me Tried to forget about you and no chance
I wasn't looking for a romance
Blue skies but I'm in the dark
Waiting on someone that gotta pick me up
Ooh, oh, whoa-oh
Thinking of you, thinking of you
Ooh, oh, whoa-oh
Thinking of you, thinking of you I'm thinking of you
I'm thinking of you In the hills with the windows down
Telling me he wants to show me around
He knows somebody with a fancy house
On the playlist, soon to be famous
He took me to the beach, I was thinking of you
Standing in his room but I was thinking of you
And I don't want you to be insecure
Oh, don't wanna play with your mind, whoa Wanna be with you
Wanna be with you
Oh my god, I'm a mess
Boy you got to me, got to me
You know you got to me, oh Tried to forget about you and no chance
I wasn't looking for a romance
Blue skies but I'm in the dark
Waiting on someone that gotta pick me up
Ooh, oh, whoa-oh
Thinking of you, thinking of you
Ooh, oh, whoa-oh

I'm thinking of you, thinking of you, thinking of you
Ooh, I'm coming right back
Tell all your friends that I'm coming right back
Ooh, I'm coming right back
You're enough to make me turn around and backtrack
Ooh, I'm coming right back
Tell all your friends that I'm coming right back
Ooh, I'm coming right back
You're enough to make turn around
Tried to forget about you and no chance
I wasn't looking for a romance
Blue skies but I'm in the dark
Waiting on someone that gotta pick me up
Ooh, oh, whoa-oh
Thinking of you, thinking of you
Ooh, oh, whoa-oh
Thinking of you, thinking of you
Forget about you and no chance
I wasn't looking for a romance
Blue skies but I'm in the dark
Waiting on someone that gotta pick me up
Ooh, oh, whoa-oh
Thinking of you, thinking of you
Ooh, oh, whoa-oh
Thinking of you, thinking of you
Ooh, oh, whoa-oh
Thinking of you, thinking of you
Ooh, oh, whoa-oh
Thinking of you, thinking of you
