

# Faithful

Lisa Page Brooks

Sometimes your situation donâ€™t match your revelation  
And what you know to be true (oo oo oo)  
Just hold on tight soon Heâ€™ll make it right  
His love will pull you through (oo oo oo oo oo)

Chorus:

Faithful is He that calls your name  
It will be just as He proclaims  
Live above discouragement  
Promise will be faithful is He

May have been a long time  
Since youâ€™ve heard him call  
The Fatherâ€™s waiting on you (waiting on you)  
He never changed His mind  
He still wants you to find  
The purpose that Heâ€™s called you to (said He called you to)  
So donâ€™t be ashamed to testify  
Give God praise  
Every word, every word that He promised  
I know that it will come true in your life (it will come true in your life)

Tenors: Forget about the past; thereâ€™s a new reality  
consider not the old; Heâ€™s doing a new thing  
Hold to your faith and the word of prophecy  
Soon He will come, Faithful is He

Faithful, Heâ€™ll bring it to pass, bring it to pass  
Faithful  
[x3]

{ chorus â€“ x3 }

{ tenors â€“ repeat to fade }
