No More You

Nutrajet

Ooh, oh-oh, ooh, oh-oh
Ooh, oh-oh, no, no
Ooh, oh-oh, ooh, oh-oh
Ooh, oh-oh, oh
Ooh, oh-oh, ooh, oh-oh (Heyy)
Ooh, oh-oh, no, no (Yeah)
Ooh, oh-oh, ooh, oh-oh
Ooh, oh-oh, oh
Normally it wouldnt be me
Acting in spite for the way that I am (Ooh, ooh)
But you did me so damn dirty
That I cant force myself to give a damn (Ooh, ooh)
Lied to me about this one, that one
Like it was a game that you couldnt stop playing (playing)
So I dont feel not a damn bit guilty that Im
Showing interest in one of your friends
Cause it was what is was and now it is what it is, boy
We're not together, I couldnt be more happy
(Ooh, oh-oh, ooh, oh-oh, ooh oh-oh, no, no)
Since theres no more you, Im finally gonna do me
(Ooh, oh-oh, oh)
Imma do what I wanna do
No More You
(Ooh, oh-oh, oh)
Said Imma do what I wanna do
No More You
Everything you didnt like me wearing now
Comes out of that box in the closet (Ooh, ooh)
And the necklace that you gave me
Would've gave it back but I think I lost it (Ooh)
Sorry
I remember how you didnt like how
Some of your boys used to stare at me (Ooh, oh)
What if you saw me out one night with one of them
Tell me would it make you angry

(Really?)
Well it was what is was and now it is what it is, boy
Were not together, I couldnt be more happy

(I cound't be more happy, baby)
(Ooh, oh-oh, ooh, oh-oh, ooh oh-oh, no, no)
Since theres no more you, Im finally gonna do me
(No More You, Imma do me)
(Ooh, oh-oh, oh)
Said Imma do what I wanna do
No More You
(Ooh, oh-oh, oh)
Said Imma do what I wanna do
No More You
(Ooh, oh-oh, oh)
We stood so much time trying to keep you happy (Oh, oh)
I was thinking 'bout you, you were thinking 'bout you
Who was thinking about me? Nobody
So now its time that I do me (Oh, ooh, oh, oh, oh)
Hey.....
Were not together, I couldnt be more happy
(Ooh, oh-oh, ooh, oh-oh, ooh oh-oh, no, no)
(I couldnt be more happy)
Since theres no more you
(No more you)
Im finally gonna do me (Ooh, oh-oh, oh)
(Imma do me, yeah)
Imma do what I wanna do
No More You
(Ooh, oh-oh, oh)
Said, Imma do what I wanna do
No More You
(Ooh, oh-oh, oh)
Said, Imma do what I wanna do
No More You
Imma do what I wanna do
No More You
