

Less Than Zero (Album Version)

Type O Negative

My reflection has a shadow's blessing my death (???)
Lost soul in agony meet machine tragedyGod if you love me
Then why won't you set me free?
I don't have call-waiting
Hey, was that you pranking me?The sheep within wearing wolf's skin
Weak vagiant amongst midgetsSnot and cum, piss and shit
Of this I am made
Like a taste of it?Vomit, pus, sweat, tears, blood
The scab removed
Revealing what wasOf this man of Steele
Nothing is real
The truth be scant
Lord of idiotsThe punishment?
Eternal lent
Victims be clear
You're all volunteers
