Problem Child (Alternate)

The Damned

Stealin' cars lost in bars
Treating hard-to-be's like superstars
I want to come home at 3AM
I love my records
Alright and I'm going to play 'emProblem child, problem child
We think you live much too wild
Problem child, problem child
When you get home
Your daddy's gonna tan your hideI gave a dose to my sister
Only need to be a teen-dream hipster
Don't care about my grades at school
Or my teacher
My Probation lady says, you ain't so coolProblem child, problem child
We think you live much too wild
Problem child, problem child
When you get home
Your daddy's gonna tan your hideGave a dose to my sister
Only need to be a teen-dream hipster
Don't care about my grades at school
Or my teacher
My probation lady says, you ain't so coolProblem child, problem child
We think you live much too wild
Problem child, problem child
When you get home
Your daddy's gonna tan your hideProblem child, problem child
We think you live much too wild
Problem child, problem child
When you get home
Your daddy's gonna tan your hide
