

# Pocket Full Of Rainbows

**Jan & Dean**

I donâ€™t worry whenever skies are grey above.  
Iâ€™ve got a pocket full of rainbows and a heart full of love.

Mr. Heartache I found a way to make him leave.  
Iâ€™ve got a pocket full of rainbows and a star up my sleeve.

Kiss me extra tender, hold me extra tight.  
For, Iâ€™m saving your sweet lips for a lonely night.

No more heartaches now that Iâ€™ve found a love so true.  
Iâ€™ve got a pocket full of rainbows and a heart full of love.

Kiss me extra tender, hold me extra tight.  
For, Iâ€™m saving your sweet lips for a lonely night.

No more heartaches now that Iâ€™ve found a love so true.  
Iâ€™ve got a pocket full of rainbows and a heart full of love.

Rainbows, rainbows, rainbows (repeat and fade)
