

# Mighty Fine Blues

## Eels

Feeling mighty fine  
Feeling mighty fine at this time, yes I am  
Feeling mighty fine  
Feeling mighty fine at this time, yes indeed Walk down any street  
Ask the people you meet  
"What is it about this place  
Keeps you on your feet?" Feeling mighty fine  
Feeling mighty fine at this time, yes I am  
Feeling mighty fine  
Feeling mighty fine at this time, yes indeed Night is coming down  
Closer to the ground  
Gonna have a little fun  
While I'm still around Feeling mighty fine  
Feeling mighty fine at this time, yes I am  
Feeling mighty fine  
Feeling mighty fine at this time, yes indeed Don't believe the words they say to you  
When they are so absurd  
And don't believe a word they say about me  
Because I'm feeling mighty fine I think I gotta go  
I think I'm gonna die  
Oh, my God, something's wrong  
The end is coming near because I'm Feeling mighty fine  
Feeling mighty fine at this time, yes I am  
Feeling mighty fine  
Feeling mighty fine at this time, yes I am, yes I am Oh, yeah
