I Believe

Agent 5.1

I believe in revolution
I believe in silent power
Crawled out with the institution
In the witching hourMy dreams
They can't be all just what I see
They can't be all just what I live
They can't be all just another dream
But I believeI believe in revolution
I believe in silent power
Crawled out with the institution
In the witching hourI see
That what about was suddenly
Was just a hidden tragedy
Stare at the sun inside of me
I still believeI believe in revolution
I believe in silent power
Crawled out with the institution
In the witching hour(I believe in, I believe in, I believe in,
I believe in, I believe in, I believe in,
I believe in, I believe in, I believe in,)But I believe in revolution
(I believe in, I believe in, I believe in, I believe in)
I believe in silent power
(I believe in, I believe in, I believe in, I believe in)
Crawled out with the institution
(I believe in, I believe in, I believe in, I believe in)
In the witching hour
(I believe in, I believe in, I believe in)I believe in revolution
I believe in silent power
Crawled out with the institution
In the witching hour
