

# I Believe

## Agent 5.1

I believe in revolution  
I believe in silent power  
Crawled out with the institution  
In the witching hour  
My dreams  
They can't be all just what I see  
They can't be all just what I live  
They can't be all just another dream  
But I believe  
I believe in revolution  
I believe in silent power  
Crawled out with the institution  
In the witching hour  
I see  
That what about was suddenly  
Was just a hidden tragedy  
Stare at the sun inside of me  
I still believe  
I believe in revolution  
I believe in silent power  
Crawled out with the institution  
In the witching hour  
(I believe in, I believe in, I believe in,  
I believe in, I believe in, I believe in,  
I believe in, I believe in, I believe in,)But I believe in revolution  
(I believe in, I believe in, I believe in, I believe in)  
I believe in silent power  
(I believe in, I believe in, I believe in, I believe in)  
Crawled out with the institution  
(I believe in, I believe in, I believe in, I believe in)  
In the witching hour  
(I believe in, I believe in, I believe in)I believe in revolution  
I believe in silent power  
Crawled out with the institution  
In the witching hour
