

# Lively Up Yourself (Live In the Studio)

## Bob Marley & The Wailers

Lively up yourself and don't be no drag  
Lively up yourself, 'cause this is the other bag  
Hey, lively up yourself and don't say no  
Your gonna lively up yourself, 'cause I said so  
Hey, you rock so, you rock so, like you never did before  
You dip so, you dip so, and you can dip through my door  
You come so, you come so, oh yeah  
You skank so, you skank so, and-a I can assure you  
Your gonna lively up yourself and don't say no  
You lively up yourself, big daddy said so  
Lively up yourself and don't be no drag  
You lively up yourself, 'cause reggae is another beg  
What you got, I don't know  
I'm trying to wonder why you act so  
Yeah  
You lively up yourself your woman in a morning time y'all  
You lively up yourself  
Come on babe  
Lively up yourself, you gonna rock so  
You rock so, you dig so you skank so, and don't be no drag  
What you got in the bag hanging there  
What you say you got, I don't believe you
