

Grace Under Pressure

Elbow

Grace under pressure
Cooling palm across my brow
Eyes of an angel
Lay me downGrace under pressure
Cooling palm across my brow
Eyes of an angel
Lay me downGrace under pressure
Cooling palm across my brow
Eyes of an angel
Lay me downGrace under pressure
Cooling palm across my brow
Eyes of an angel
Lay me downWe still believe in love so fuck you
We still believe in love so fuck you
We still believe in love so fuck you
