

Bring Down the Power

Ella Andall

CHORUS

Bring down the power of love I say, bring down the power
The power of love I say is the greatest power
Stop hell and damnation, bring down the power
Love to heal a nation, is the greatest power

Verse 1

A wind of destruction is blowing over this land (over this land)
And now the earth is a-trembling with man's oppression of man (bring down the power)
Now the time come to sit down and rediscover what's life (what's life)
Show the world the true meaning of real love power not strife (bring down the power)

CHORUS

Bring down the power of love I say, bring down the power
The power of love I say is the greatest power
Stop hell and damnation, bring down the power
Love to heal a nation, is the greatest power

Verse 2

Put our hands on the fire and cleanse the wicked right now (right now)
All of them who does worship greed and vanity must bow (bring down the power)
Unity is the banner so come together I say (I say)
And this love is for freedom it growing stronger each day (bring down the power)

CHORUS

Bring down the power of love I say, bring down the power
The power of love I say is the greatest power
Stop hell and damnation, bring down the power
The love to heal a nation, is the greatest power

Verse 3

So rejoice in a rhythm of celebration, come on (come on)
Lift your voice with a feeling of satisfaction as one (bring down the power)
And leh we move with a purpose all freedom lovers hold tight (hold tight)
Stepping out of the darkness with one direction in sight (bring down the power)

CHORUS

Bring down the power of love I say, bring down the power

The power of love I say is the greatest power
Stop hell and damnation, bring down the power
Love to heal a nation, is the greatest power

(bring down the power)
Bring down the power of love I say
(bring down the power)
The power of love I say
(bring down the power)
Stop hell and damnation
(bring down the power)
