

Reggae Fi Peach

Linton Kwesi Johnson

Everywhere you go its the talk of the day,
Everywhere you go you hear people say,
That the Special Patrol them are murderers (murderers),
We can't make them get no further,
The SPG them are murderers (murderers),
We can't make them get no further,
Cuz they killed Blair Peach the teacher,
Them killed Blair Peach, the dirty bleeders.
Blair Peach was an ordinary man,
Blair Peach he took a simple stand,
Against the fascists and their wicked plans,
So they beat him till him life was done.
Everywhere you go its the talk of the day,
Everywhere you go you hear people say,
That the Special Patrol them are murderers (murderers),
We can't make them get no further,
The SPG them are murderers (murderers),
We can't make them get no further,
Cuz they killed Blair Peach the teacher,
Them killed Blair Peach, the dirty bleeders.
Blair Peach was not an English man,
Him come from New Zealand,
Now they kill him and him dead and gone,
But his memory lingers on.
Oh ye people of England,
Great injustices are committed upon this land,
How long will you permit them to carry on?
Is England becoming a fascist state?
The answer lies at your own gate,
And in the answer lies your fate.
