# I Feel Nothing At All

## Medicine

last call burning up inside
the house. i sit in and
tumbling down
fear fall up and
down and down and
out. what's your
message for the man
at the bottom. it's not
all the same another
day. all my love's
washed away and
forgotten
i'll hit the wall
i'll hit the wall
i feel nothing at all
i feel nothing at all
it's not all the
same another day
all my friends washed away
and forgotten
i feel nothing at all
i feel nothing at all
