All You Fascists

Billy Bragg & Wilco

I'm gonna tell all you fascists, you may be surprised
People all over this world are getting organized
You're bound to lose
You fascists are bound to loseRace hatred cannot stop us, this one thing I know
Poll tax and Jim Crow and greed have got to go
You're bound to lose
You fascists are bound to loseAll you fascists are bound to lose
You fascists are bound to lose
You fascists are bound to lose
You're bound to lose
You fascists are bound to lose
People of every color marching side by side
Marching across the fields where a million fascists died
You're bound to lose
You fascists are bound to loseAll you fascists are bound to lose
You fascists are bound to lose
You fascists are bound to lose
You're bound to lose
You fascists are bound to loseI'm going into this battle, take my union gun
Gonna end this world of slavery before this war is won
You're bound to lose
You fascists are bound to loseAll you fascists are bound to lose
You fascists are bound to lose
You fascists are bound to lose
You're bound to lose
You fascists are bound to lose
I said, all you fascists are bound to lose
You fascists are bound to lose
You fascists are bound to lose
You're bound to lose
You fascists are bound to lose
