

# I Walked from Dallas

## Howlin' Wolf

I walked all the way from Dallas, Texas  
People I'm going to Californ'  
I walked all the way from Dallas, Texas  
People I'm going to Californ' My baby, don't, it ain't gon' be  
No more walkin' at all I promised I'd be there on Sunday morning  
To take her out to Sunday school  
I promised I'd be there on Sunday morning  
To take my baby to Sunday school  
You know her as a good woman  
Hey, you know my baby knows my rules, oh yeah I got a girl for Monday, one for Tuesday  
And Wednesday and Thursday and Friday too  
I got a girl for Monday, Tuesday  
And Wednesday and Thursday and Friday too Don't look for me through the week, womens  
I got to take my baby to Sunday school  
I walked clean from Dallas, people I'm going to Californ'  
I walked from Dallas, people I'm going to Californ'  
I have lost my baby there  
And it ain't gon' be no more walking at all
