Those Three Words

Lindsey Webster

Take all of me
Leave nothing behind
I know that you've been through it all

Don't be afraid
Of what we might turn into
There's more at stake than just your heart

Take some time
You will find
Everything depends on those three words...
I love you

I see your eyes
They stare into me
I've never wanted anymore

I'll take these arms
Wrap them around you
I'll hold you tighter
Than I have before

Take some time
You will find
Everything depends on those three words...
I love you

I've never seen the beauty of day
Until there was you
You came and showed me, there is a way
To give my heart and be true, be true

Don't be afraid
Of what we might turn into
There's more at stake than just your heart

Take some time
You will find
Everything depends on those three words...

I love you

Take some time
You will find
Everything depends on those three words...
I love you
I love you, I do.
