See My Friends

Ray Davies

See my friends, see my friends
Layin' across the river
See my friends, see my friends
Layin' across the riverShe is gone
She is gone and now there's no one left
Except my friends
Layin' across the riverShe just went, she just went
Went across the river
Now she's gone, now she's gone
Wish that I'd gone with herShe is gone
She is gone and now there's no one left
Except my friends
Layin' across the riverShe is gone and now there's no one else to take her place
She is gone and now there's no one else around
Except my friends
Layin' across the riverSee my friends, see my friends
Layin' across the river
See my friends, see my friends
Layin' across the river
