

Selene

Michael Manring

To the top of all the world

To the tasteless underworld

To the center of your heart, oh Cleopatra is the only one you loved

To the demonstrated smile

To the lonely love child

Destination desolation, tell me when you reach the brink of life

Just a picture on your wall

That's nice, what a metaphoric fall

Typically, I was a validation on your sleeve

Oh what an indication

To the center of the pain

Through your tattered window pane

To the middle of your heart

Resolutions and lovers in the kitchen

Love is clueless and destiny is wishing

This is my heart, it's on the line, Selene

This is not what I expect, this is not what I expect

I can see it in your tears and now they're crowning me the Caesar

Typically, I was a validation on your sleeve

Oh what an indication

To the center of the pain

Through your tattered window pane

To the middle of your heart

Resolutions and lovers in the kitchen

Love is clueless and destiny is wishing

This is my heart, it's on the line, Selene

This is my heart, it's on the line,

This is my heart, it's on the line,

This is my heart, it's on the line, Selene

Resolutions and lovers in the kitchen

Love is clueless and destiny is wishing

This is my heart, it's on the line, Selene
