

# Be Free

## Ziggy Marley

The system's got too much control  
And they don't wanna let it go  
I'm a prisoner fighting to be free  
I'm breaking out of captivity Be free, be free  
Be free, be free  
Be free, be free  
Yeah, to be free Little by little, I'm losing control  
As little by little my rights erode  
I stop the deputy, now you know  
Mama don't try, you see I got to go Be free, be free  
Be free, be free  
Be free, be free  
To be free Be free, be free  
(Freedom is good for you)  
Be free, be free  
Be free, be free  
(Freedom is good for you)  
To be free The government's got too much control  
Now is there some place that we can roll?  
The politics of fear and oppression is everywhere now  
The law is closing in, just take what you can bring Be free, be free  
Be free, be free  
Be free, be free  
Yeah, to be free Be free, be free  
(Freedom is good for you)  
Be free, be free  
(Freedom is good for you)  
Be free, be free  
(Freedom is good for you)  
To be free The system's got too much control  
Now is there some place that we can roll?  
I'm a prisoner fighting to be free, the law is closing in  
Just take what we can bring
