You

Martin Nievera

You are the one who makes me happy
When everything else turns to grey
Yours is the voice that wakes me mornings
And sends me out into the day
You are the crowd that sits quiet
Listening to me
And all the mad sense that I make
You are one of the few things
Worth remembering
And since it's all true
How could anyone mean more to me
Than you
Sorry if sometimes I look past you
There's no one beyond your eyes
Inside my head wheels are turning
Hey, sometimes I'm not so wise
You are my heart and my soul
My inspiration
Just like the old love song goes
You are one of the few things
Worth remembering
And since it's all true
How could anyone mean more to me
Than you
