Let Me Have It

Dakota Moon

It comes on every mornin'
And wakes me with a dream
It comes without a warnin'
And takes me to extremesThat's what you do to me
I need you to do something for meIf I say please down on my knees
Would you let me have it?
Would you concede if I beg and plead?
Would you let me have it?
Don't say no, just let it go
Let me have itUp and through the evenin'
You're still on my mind
I can't help believin'
That all you need is timeSo while you think, things through
Baby, could you do me a favor?If I say please down on my knees
Would you let me have it?
Would you concede if I beg and plead?
Would you let me have it?
Don't say no, just let it go
Let me have itSo I wait for you, stay up late for you
Save a place for you here beside me
I will hold on to what I hope you'll do
And you know it's true
That I'm goin' absolutely crazy for you
Baby, I need you to do something for me, babyIf I say please down on my knees
Would you let me have it?
Would you concede if I beg and plead?
Would you let me have it?If I say please down on my knees
Would you let me have it?
Would you concede if I beg and plead?
Would you let me have it?
Don't say no, just let it goDon't ask no why?
Just don't know why?
We don't need, I'm down on my knees
Let me have it
