

# Without The Love Of Jesus

## Point Of Grace

Some think it all comes down to fate and circumstance  
Life falls somewhere between accident and chance  
Some seek solutions to the problems they face  
By hoping maybe someday, somehow it will all fall in place  
We keep persisting still something is missing  
Without the love of Jesus, the stars wouldn't shine  
Rivers wouldn't run and hearts beat out of time  
Without the love of Jesus, tell me where would we be?  
Lost on a lonely sea, without the love of Jesus  
There's so much more to life than meets the naked eye  
It's no coincidence, no matter how we try  
When we try to deny what we don't understand  
Maybe that's when we fail to see God's providential hand  
We keep persisting still something is missing  
Without the love of Jesus, the stars wouldn't shine  
Rivers wouldn't run and hearts beat out of time

Without the love of Jesus, tell me where would we be?  
Lost on a lonely sea, without the love of Jesus  
It shouldn't take us a miracle before we finally see  
That Jesus love is the only thing that we will ever need  
Without the love of Jesus, the stars wouldn't shine  
Rivers wouldn't run and hearts beat out of time  
Without the love of Jesus, tell me where would we be?  
Lost on a lonely sea without the love of Jesus  
Rivers wouldn't run and hearts beat out of time  
Without the love of Jesus, tell me where would we be?  
Lost on a lonely sea  
Without the love of Jesus, the stars wouldn't shine  
Rivers wouldn't run and hearts beat out of time
