

# You Didn't Look Around

Lesley Gore & Claus Ogerman

Oh you were holding her, you were kissing her  
But what could I do?  
After telling me you would always be  
Mine forever true  
Last night I went to a late-night movie show  
At first I couldn't see with the lights so low  
Then in the dark I saw a boy I thought I knew  
You didn't look 'round, but I knew it was you  
No, you didn't look 'round 'cause you were occupied  
Kissing the girl that sat there by your side  
I was trying not to cry and let my feelings show  
You didn't look 'round, so you wouldn't know  
Oh you were holding her, you were kissing her  
But what could I do?  
After telling me you would always be  
Mine forever true  
My whole world came tumbling down that night  
When I saw you holding her so tight  
I'm gonna lock my heart to you; at least I'm gonna try  
You didn't look 'round, so you'll never know why  
I'm gonna lock my heart to you; at least I am going to try  
You didn't look 'round, so you'll never know why  
'Cause you didn't look 'round; now you'll never know why  
No, you didn't look 'round
