Soul Tattoo

Plus One

I just know that I've never felt like this
And I know it's because You exist in my life
Like hope shining bright
Through the stormy skies, oh yeah yeahAnd that's why I could never turn away from You
I'd be some kind of fool
To think I, I could lose Your love
You know that's something I can't do'Cause You're the answer to the questions
The reason to the rhyme
You're the rhythm to my heart when it beats out of time
I'm so thankful, Lord that You are mine
It's true that You are my soul tattooLord, You know all that I want to do
Is to spend my life loving You
It's Your love time and again
That pulls me through and I want to say thank you'Cause You're the answer to the questions
The reason to the rhyme
You're the rhythm to my heart when it beats out of time
I'm so thankful, Lord that You are mine
It's true that You are my soul tattooEtched on my soul Your love is so true
Always in my heart in Your arms forever
Etched on my soul Your love is so true
Stamped forever here in my soul'Cause You're the answer to the questions
The reason to the rhyme
You're the rhythm to my heart when it beats out of time
I'm so thankful, Lord that You are mine
It's true that You are my soul tattooYou're the answer to the questions
The reason to the rhyme
You're the rhythm to my heart when it beats out of time
I'm so thankful, Lord that You are mine
It's true that You are my soul tattooYou're the answer to the questions
The reason to the rhyme
You're the rhythm to my heart when it beats out of time
I'm so thankful, Lord that You are mine
It's true that You are my soul tattoo
