

Hail To The King

Avenge Sevenfold

Watch your tongue or have it cut from your head
Save your life while keeping whispers unsaid
Children roam the streets now orphans of war
Bodies hanging in the streets to adore
Royal flames will carve a path in chaos
Bringing daylight to the night
Death is running in the town with armor
They've come to take all your rights
Hail to the king
Hail to the one
Kneel to the crown
Stand in the sun
Hail to the king
(Hail, hail, hail the king)
Blood is spilled while holding keys to the throne
Born again but it's too late to atone
No mercy from the edge of the blade
Dare escape and learn the price to be paid
Let the water flow with shades of red now
Arrows black out all the light
Death is running in the town with armor
They've come to grant you your rights
Hail to the king
Hail to the one
Kneel to the crown
Stand in the sun
Hail to the king
(Hail, hail, hail the king)
There's a taste of fear
When the henchmen call
Iron fist to tame them
Iron fist to claim it all
Hail to the king
Hail to the one
Kneel to the crown
Stand in the sun
Hail to the king
Hail to the one
Kneel to the crown
Stand in the sun
Hail to the king
(Hail, hail, hail the king)
