

Cowgirl (Lil' Mama)

Aaron Carter

Yippee ki yo, yippee yay, lil' mama
Yippee ki yo, yippee yay, lil' mama
Yippee ki yo, yippee yay, I met myself a cowgirl
What she want? Put me on Yippee ki yo, yippee yay, lil' mama
Yippee ki yo, yippee yay, lil' mama
Yippee ki yo, yippee yay, I met myself a cowgirl
What she want? Put me on Okay, this is how it went down
Sunday afternoon with the fellas at the play ground
Chillin', my father honked his horn at me
Said, I have a show in Texas and I gotta leave Texas, wow! I've never been
Maybe I can find a new hang out friend
Anyway, packin' up my bags on my way
Signing autographs as I run to catch the plane I seen her, chubby cheeks with long braids
Cute face, same age, she played hard to get
As I offered out my name, she just walked away
With a smile, oh, my little cowgirl Yippee ki yo, yippee yay, lil' mama
Yippee ki yo, yippee yay, lil' mama
Yippee ki yo, yippee yay, I met myself a cowgirl
What she want? Put me on Yippee ki yo, yippee yay, lil' mama
Yippee ki yo, yippee yay, lil' mama
Yippee ki yo, yippee yay, I met myself a cowgirl
What she want? Put me on Okay, now the plane landed
She's been on my mind so much I can't stand it
My manger kept rushin' me to go
I tried to look for her, I'd give a ticket to the show I thought, I see a cowboy hat but everyone was ready
And our luggage was packed
Hesitant for leavin' my heaven sent cowgirl
We ran off to the hotel As I practice in the hotel lobby
She was on my mind full time
The fellas tryin' to cheer me up
I came down with a case of Puppy Love I went back to havin' fun, dancin' makes ya thirsty
Plus, it was time for lunch at the hotel restaurant
Order me some burgers and fries
Then to my surprise, walked in my cowgirl Yippee ki yo, yippee yay, lil' mama
Yippee ki yo, yippee yay, lil' mama
Yippee ki yo, yippee yay, I met myself a cowgirl
What she want? Put me on Yippee ki yo, yippee yay, lil' mama
Yippee ki yo, yippee yay, lil' mama
Yippee ki yo, yippee yay, I met myself a cowgirl

What she want? Put me on
Break it down, little lady
Break it down
I met myself a cowgirl, put me on
Break it down, little lady
Break it down
I met myself a cowgirl, put me on
And now I'm on the stage
Performing in front of a capacity
The screamin' guys and screamin' girls
But still no sign of my cowgirl
As I head to the other front part of the stage
There she stood, with a smile on her face
My cowgirl, took her by the hand
Brought her on stage and I started to dance
With my cowgirl
Yippee ki yo, yippee yay, lil' mama
Yippee ki yo, yippee yay, lil' mama
Yippee ki yo, yippee yay, I met myself a cowgirl
What she want? Put me on
Yippee ki yo, yippee yay, lil' mama
Yippee ki yo, yippee yay, lil' mama
Yippee ki yo, yippee yay, I met myself a cowgirl
What she want? Put me on
Lil' mama, I met my self a cowgirl, put me on
Lil' mama, I met my self a cowgirl
