Boogie Down Productions

One two, rap music, what does it mean?
What is everybody in this industry for?
What is everybody, buying rap for?
Why do people get involved in rap music? Rap music, number one
Is the voice of black people, number one
Number two, it's the last voice of black people
Black people have created every music
You hear out here in the streets today
Every single music, rock and roll down Therefore in a situation that has all African music in it
All African music, uhh, exploiting itself of it or coming out of it
All African influence in all it's music
And you have what is called American Music Awards You have what is called theft
And what I would like to bring out today is rap music
As, a revolutionary tool in changing the structure of racist America
