Turn It Up

[Blur](#)

Kazoo, kazoo you are mine, kazoo kazoo every time
Turn it up, turn it off, turn it in
Turn it up, turn it off, turn it inAnyway you choose, anyway you choose at all
Some days you get too much, some days it all gets too muchKazoo, kazoo you are mine, why do you turn your
back on me?
Turn it up, turn it off, turn it in
Turn it up, turn it off, turn it in
Turn it up, turn it off, turn it in
Turn it up, turn it off, turn it inAnyway you choose, anyway you choose at all
Some days you do too much, some days it all gets too much
