

This is Absolution

Killswitch Engage

We will not die this way, in unification
They cannot break these chains of faith We will not die this way (this is absolution)
Death claims us no more (no more)
Do not grieve, end the suffering
We will live, were eternal Will take the stand among the dead?
Bury your fear, and hold fast to life We will not die this way (this is absolution)
Death claims us no more (no more)
Do not grieve, end the suffering
We will live, were eternal Anchor yourself to the foundation of everything you love
Believe you have just become to live Don't let the world deceive you
Don't let their words betray you
Don't let their lies deceive you
Lead them to their graves We will not die this way (this is absolution)
Death claims us no more (no more)
Do not grieve, end the suffering
We will live, were eternal
