Kandyland

Brokencyde

My butterfly, Im happy when youre with me.
Youre everything I see, and everything I need.
These broken wings, will guide our love through the sky.
And take us away from these nightmares
And these broken wings, they make you taste so sweet. Candy canes and kisses when I fall asleep.
Rainbows and wishes, you take me away.
To another place, so far away.
So far away.
SO FAR AWAY!!!
My butterfly, Im happy when youre with me.
Youre everything I see, and everything I need.
These broken wings, will guide our love through the sky.
And take us away from these nightmares
And these broken wings, they make you taste so sweet. Candy canes and kisses when I fall asleep.
Rainbows and wishes, you take me away.
To another place, so far away.
So far away.
SO FAR AWAY!!! My butterfly, Im happy when youre with me.
Youre everything I see, and everything I need.
These broken wings, will guide our love through the sky.
And take us away from these nightmares
Im in kandyland.
Im in kandyland.
Im in kandyland.
SO DONT SAVE ME!!!(x4).
My butterfly, Im happy when youre with me.
Youre everything I see, and everything I need.
These broken wings, will guide our love through the sky.
And take us away from these nightmares(x2)
