

# Mary Linda

## Chubby Wise & Mac Wiseman

MARY LINDA

As Recorded by Mac Wiseman & Chubby Wise

When I was sittin' in a tavern  
In my old home town again  
I was just about to call you  
When I saw you walkin' in  
Well I've been gone so many years  
But things look 'bout the same  
You're just as pretty, Mary Linda  
And I bet you haven't changed.

(Chorus)

Are you still married, Mary Linda  
Is your love still good to you  
Is the first one that you married  
Still kind and true to you  
Are you still married, Mary Linda  
Is that knot of love still tied  
Or will there be a chance of seeing you  
Later on tonight.

Come and sit down beside me, Linda  
Let me tell you where I've been  
Let's reminisce those high school days  
And things that might have been  
We were king and queen of the sweetheart ball  
I thought love would always last  
Now I'm runnin' out of future  
And livin' in the past.

(Repeat Chorus)

G
