Situation Infatuation

Eve 6

I was named for a saint, 1978
It seems a little bit ironic, but I don't think too much on it
'cause I'm too busy makin' pay, 24 in a day
And if you fall into temptation it could be a bad vibration
But I've been thinkin' 'bout you since the first time that I saw you
Think it's safe to say that I've been obsessed
Tryin' to figure out a way to tell you what I'm feeling but I just can't
get the words off my chest(chorus)
We got a situation infatuation
We haven't even had a conversation
And I'm lying awake and picturing you naked
I already feel I owe an explanation
It's getting pathological
I'm totally irrational
We got a situation infatuation, got a situation infatuationI call an apartment a home
I've never broken a bone
And the last couple of weeks you're sitting staring at the phone
If you will, I think I'm pretty chill
Behaviour's an exception and I know it needs correction
but I've been thinking 'bout you since the first time that I saw you
Think it's safe to say that I've been obsessed
Trying to figure out a way to tell you what I'm feeling but I just can't
get the words off my chest(chorus)
I'm standing at attention
Thinking things I can't mention
Can you see my intention?
Involuntary action

--?--
(chorus)
