

# The Visit

## Throwing Muses

I'm proud to see you here  
I can't relieve, believe  
The pressure in my headIt's a game of chance  
I whisper in your ear  
Fall apart along the wayDon't you ever see it through  
Jesus said in Heaven  
There's not that much to doI'm proud to see you here  
I'm proud to be here with you all  
I have a message from your sonWhen the ground starts shaking  
Watch the gifts inside your home  
I have a feeling many aren't for youLeave your dollars where they fall  
They have a message of their own  
When the ground starts shaking, run  
Keep on running or so says your sonShe's a pillar of your home  
Keep on shaking or so says your son  
She's a vice  
Keep on running 'til you can't go on
