Bad Girl

Night Club

Take a hit, this is it.
There's no turning back!
Fantasy
Dressed in black
Told you so, boy you know
That you'd come right back
Faster than
A heart attack
Got you addicted
You can't help but want more!
You'll give me anything just to make
The next score
Get what I want as I
Take over your world!
Feels so good
To be a Bad Girl
Bad Girl
Bad Girl
Bad Girl
Feels so good
To be a Bad girl!
So depraved, just a slave
Cause you need my touch
This feels so
Dangerous
Don't ya stop, til ya drop
Gotta keep it up!
Ecstasy
Can't get enough!
Like an obsession
Banging hard on my door
I got you begging with both
Knees on the floor
Get what I want as I
Take over your world!
Feels so good
To be a bad girl!
Bad Girl
Bad Girl

Bad Girl
Feels so good
To be a bad girl
You know you want it
Cause I got it
I'm a bad girl
You know you want it
Cause I got it
I'm a bad girl
You know you want it
Cause I got it
I'm a bad girl
You know you want it
Cause I got it
I'm a bad girl
You know you want it
Cause I got it, got it
Bad girl
Bad girl
Bad Girl
Bad Girl
Feels so good
To be a bad girl!
You know you want it
Cause I got it
I'm a bad girl
You know you want it
Cause I got it
I'm a bad girl
You know you want it
Cause I got it
I'm a bad girl
You know you want it
Cause I got it, got it
I'm a bad girl
