

# Everything Is You

## Empress Of

Should I be afraid?  
You don't seem to be  
All I want to be is you  
You don't seem to be  
All I want to be is you  
Can I make it clear  
You are everything, everything is you  
You are everything, everything is you Don't tell me who I am  
You know the circles are running  
Don't try to be this man  
Let me stay, let me stay if I want to  
Feeding from your hand like an automatic body  
But you tryna be this man  
Let me stay, let me stay if I want to  
Should I be afraid?  
Everything I do is because of you  
Everything I do is because of you  
Am I standing still?  
I can feel my feet moving without me  
I can feel my feet moving without me  
Don't tell me who I am  
You know the circles are running  
Don't try to be this man  
Let me stay, let me stay if I want to  
Feeding from your hand like an automatic body  
But you tryna be this man  
Let me stay, let me stay if I want to You are everything, everything is you you you-uuu  
You are everything, everything is you you you-uuu  
You are everything, everything is you you you-uuu
