Without Your Love

Travis Greene

We can't live without Your love GodWe rise and declare
That no one nowhere
Compares to Your love
You are holy
We stand and we shout
We can't live without Your love
For You are holy GodOh oh oh, oh oh oh
Forever You are Holy God
Oh oh oh, oh oh oh
Forever You are Holy God
Your love is there
Your love is there, is everywhere
We breathe You in
Nothing compares
To the great love
You have for us
Forever You are holy
You hold it altogether
Our world, our world is in Your hand
Your love last forever God
You last forever
We breathe You in
We breathe You in
Now we can't live without
Let's go
We rise and declare
That no one nowhere
Compares to Your love
You are holy
We stand and we shout
We can't live without Your love
We shout out
For You are Holy GodEverybody sing: Oh oh oh
Oh oh oh, oh oh oh
Forever You are Holy God
Everybody sing: Oh oh oh
Oh oh oh, oh oh oh
Forever You are HolyYou hold it
You hold it altogether

Our world is in Your hand
Your love last
Your love last forever
So we breathe You in God
We breathe You in
Now we can't live
You hold
You hold it altogether
Our world
Our world is in Your hand
Your love last forever
Your love last forever
We breathe
We breathe You in
