

# People are People (live)

## A Perfect Circle

We're different colors  
And different creeds  
And different people  
Have different needs

It's obvious you hate me  
Though I've done nothing wrong  
I've never even met you  
What could I have done?  
(La la la la la la)  
( La la la la la la la)

People are people  
So why should it be?  
(You and I shouldn't get along)  
People are people  
So why should it be?  
(You should hate me)  
People are people  
So why should it be?  
(You and I shouldn't get along)  
People are people  
So why should it be?  
(You should hate me)

Punching, kicking  
And you're shouting at me  
I'm relying on your common  
Decency  
(La la la la la)

So far it hasn't surfaced  
But I'm sure it exists  
(La la)  
It just takes a while  
To travel from your head to your fist

I can't understand  
What makes a man  
Hate another man

Help me understand

People are people  
So why should it be?  
(You and I shouldn't get along)

People are people  
So why should it be?  
(You should hate me)

People are people  
So why should it be?  
(You and I shouldn't get along)

People are people  
So why should it be?  
(You should hate me)

I can't understand  
What makes a man  
Hate another man  
Help me understand

I can't understand  
What makes a man  
Hate another man  
Help me understand

I can't understand  
What makes a man  
Hate another man  
Help me understand
