

# Single Drop of Honey

Abigail Washburn

If a single drop of honey  
Would bring you to me  
I'd break that sweet rock open  
And hold it out for thee  
She asked him for a penny  
He gave her a dime  
She asked him to stay forever  
He said, "All will come in time"  
If a single drop of honey  
Would bring you to me  
I'd break that sweet rock open  
And hold it out for thee  
She prayed for him to come back  
He sent a voice true  
She barely heard the words  
He said, "I'm not so far from you"  
If a single drop of honey  
Would bring you to me  
I break that sweet rock open  
And hold it out for thee  
She grew old holding on  
He called from her afar  
"You desire more  
Than men are able  
Find me in your heart"
