

# High Speed Train

R.e.m.

When I look into your eyes  
You drop like an anchor eyes  
I scudded and clipped the sky  
Just shy of making it  
And you almost got away  
I told you I was afraid  
Did I really want to try  
You're holding me to my claim  
I jump on a high speed train  
I'll never look back again  
I flail like the antelope  
Who jumped from the building  
And you caught me on the sly  
You've taken me by surprise  
You've mirrored my best disguise  
And turned it back on me  
I jump on a high speed train  
I'll never look back again  
I flail like the antelope  
Who jumped from the building  
I jump on a high speed train  
I'll never look back again  
To Berlin, Kyoto or Marseilles  
I'd go anywhere for you  
I'll bring you a big bouquet  
I picked it myself today  
It compliments your eyes  
There's love at the end of the line  
I jump on a high speed train  
I'll never look back again  
I flail like the antelope  
Who jumped from the building  
I jump on a high speed train  
I'll never look back again  
To Berlin, Kyoto or Marseilles  
I'd go anywhere for you  
And that's what I always knew  
I'd like to have hung the moon  
I'd wrestle you for a spoon inside

Your sleeping bag  
Just us, no war, no hate, no past  
It's real, I'm here, I'm yours, I'm fast  
I'm long in the eye  
I'm cry when I try  
I just want to fly  
Just you and I, together
