All the Things You Are

Marieann Meringolo

You are the promised kiss of springtime
That makes the lonely winter seem long
You are the breathless hush of evening
That trembles on the brink of a lovely songYou are the angel glow that lights a star
The dearest things I know are what you areSome day my happy arms will hold you
And some day I'll know that moment divine
When all the things you are, are mineYou are the angel glow that lights a star
The dearest things I know are what you areSome, some, some, some some day my happy arms will hold you
And some day I'll know that moment divine
When all the things you are, are mine, yeah, yeahAll the things you are, are mine
All the things you are, come to mine
Some day my happy arms will hold you
All the things you are, come to mineAll the things you are, come to mine
All the things you are, come to mine
All the things you are, come to mine
