

# Thank You Jesus (That's What He's Done)

**Kim Burrell**

Well, he woke me up this morning  
And started me on my way  
Gave me grace and strength  
Just to see another day  
And with each new day  
Brand new mercies I see  
I'm telling you that's what the Lord has done for me.  
For the many ways that you've made  
(Thank you Jesus)  
Keeping me day by day I wanna say  
(Thank you, Jesus)  
Tell do you really mind if I testify  
(Thank you, Jesus)  
About the Lord being my full supply  
(Thank you, Jesus)  
I'm telling you he's done so much for me, and I can't tell it all  
That's how good he is to me  
And when I think of the blessings bestowed upon me  
I have no choice  
He's gonna get my praises  
Get get Jesus on the main line  
Tell him what I want  
Call him up and tell him  
Exactly what I want  
Just tell him I'm not only asking, I'm trusting for what I want  
While I got him on the line, why don't you get what you want  
Anybody else wanna talk to the master?  
(Thank you, Jesus)  
I really wanna say Lord  
(Thank you, Jesus)  
Somebody waving their hand just to say, Lord  
(Thank you, Jesus)  
All I really wanna say is thank you, Lord  
(Thank you, Jesus)  
He's done so much for me, and I can't tell it all  
Never will be able to tell it all  
That's how good he is to me  
And when I think of the blessings bestowed upon me  
I have no choice

He's gonna get my praises  
He's done so much for me, and I can't tell it all  
Cannot tell it all  
That's how good he is to me  
And when I think of the blessings bestowed upon me  
I have no choice  
He's gonna get my praises  
Truly if I had ten thousand  
(Thank you, Jesus)  
Still wouldn't be enough to tell you  
(Thank you, Jesus)  
From the mercies that you give to the grace  
(Thank you, Jesus)  
That's why I wanna say thank ya  
(Thank you, Jesus)  
Mmmmm thank you  
(Thank you, Jesus)  
Oooooooooo thank you  
(Thank you, Jesus)  
From the love you're good, from the light you're great  
(Thank you, Jesus)  
From my going out to my coming in I wanna say  
(Thank you, Jesus)  
You have provided everything for me  
(That's what he's done)  
You've been my healer  
(That's what he's done)  
That's what he's done for me  
You've been my shelterCause you've done that for meAnd I want to praise you, Lord(That's what he's done)  
Oh, that's what he's done for me  
What you've done for me and I say 'oh  
(That's what he's done)  
When I think of all that he's done for me  
It makes me wanna praise you Lord  
For all you've done for me  
(That's what he's done)  
That's what you've done for me, help me  
(Oh' that's what he's done)  
I wanna say  
(Oh, that's what he's done)  
Oh, what you've done for me  
I never shall forget what you've done for me(Scat)
