

Yesterday Threw Everything At Me

Athlete

Switch on the light between each other
Elevated to your side, now I'm nervous
It's time to tell you honestly
So we can alter history You are first on my list
When everything around is gone, I know
You are first on my list
When everything is shown up for what it is Plastic flowers fight for color
Shadows floating on the ground that always follow
Like international acclaim
It comes and goes never the same You are, first on my list
When everything around is gone I know
You are, first on my list
When everything is shown up for what it is And I will run with it
Sunlight will break into my eyes
And it seems like you plugged the world in
'Cause sunlight is streaming from your eyes You are first on my list
When everything around is gone, I know
You are first on my list
When everything is shown up for what it is Let's take our time, it won't change over night
We got a chance we didn't have before
Let's take our time, it won't change over night
We got a chance we didn't have before You are first on my list
When everything around is gone, I know
You are the first on my list
When everything is shown up for what it is
