

Jesus Stole My Girlfriend

Violent Soho

Every day
every afternoon
tried so hard
but lost to God.

This time next year
Iâ€™ll be married
this time next year
Iâ€™ll say sorry
but Jesus stole my girlfriend.

I thought youâ€™re my friend.
Iâ€™ll guess again
I look to the clouds
God gives me a frown.

This time next year
Iâ€™ll be married
this time next year
Iâ€™ll say sorry
but Jesus stole my girlfriend.

Try to talk to me again.
Iâ€™ll never even sing or do anything.

This time next year
Iâ€™ll be married
this time next year
Iâ€™ll say sorry
Jesus stole my girlfriend.
Jesus stole my girlfriend.
Jesus stole my girlfriend.
