

Goodnight Moon

Esther Wheaton

There's a nail in the door and there's glass on the lawn

Tacks on the floor and the TV is on

And I always sleep with my guns when you're gone

There's a blade by the bed and a phone in my hand

A dog on the floor and some cash on the nightstand

When I'm all alone the dreaming stops and I just can't stand

 What should I do just a little baby

 What if the lights go out and maybe

 And then the wind just starts to moan

 Outside the door he followed me home

 Well goodnight moon I want the sun

 If it's not here soon I might be done

No it won't be too soon 'til I say, ?Goodnight moon?

 There's a shark in the pool and a witch in the tree

 A crazy old neighbor and he's been watching me

And there's footsteps loud and strong coming down the hall

 Somethings under the bed now it's out in the hedge

 There's a big black crow sitting on my window ledge

 And I hear something scratching through the wall

 Oh what should I do just a little baby

 What if the lights go out and maybe

 I just hate to be all alone

 Outside the door he followed me home

 Now goodnight moon I want the sun

 If it's not here soon I might be done

No it won't be too soon 'til I say, ?Goodnight moon?

 Well you're up so high, how can you save me?

 When the dark comes here tonight to take me up

 The mouth from woke and into bed

 Where it kisses my face eats my hand

 Oh what should I do just a little baby

 What if the lights go out and maybe

 And then the wind just starts to moan

 Outside the door he followed me home

 Now goodnight moon I want the sun

 If it's not here soon I might be done

No it won't be too soon 'til I say, ?Goodnight moon?

No it won't be too soon 'til I say, ?Goodnight moon?
