

# Sally Jo

## Ricky Skaggs

I jump in bed and covered up my head  
Wish I was dead, Sally Jo  
Sally Jo, where did you go, Sally Jo? Since you have gone my days are turned to night  
Nothin' goes right, Sally Jo  
Sally Jo, where did you go, Sally Jo? The hurt you left has just begun to show  
Sally Jo, I feel so low  
Sally Jo, where did you go, Sally Jo? Sally Jo, Sally Jo  
Hear my plea, come back to me I'm like a little dog left out to stray  
No one wants me, no place to stay  
Sally Jo, where did you go, Sally Jo? Did I do bad when I was good to you?  
Yes or no, Sally Jo  
Sally Jo, where did you go, Sally Jo? The torch I carried shines and light so bright  
For me to see, Sally Jo  
Sally Jo, where did you go, Sally Jo? Sally Jo, Sally Jo  
Hear my plea, come back to me  
Sally Jo, Sally Jo
