

# You're So Pretty

[emmet swimming](#)

Look the streets are cold tonight  
The cops are looking for another fight  
Fairfax is a dirty town  
Spent six years here after movin' around Maybe I gave you a scare  
Outside the coffee shop with all your friends there  
I can't be alone tonight  
Throw your coffee in my face that's right [Chorus]  
You're so pretty  
You're so pretty  
You're so pretty  
Pretty I saw you at the Planet last night  
On the dance floor 'neath the crimson light  
He was dancing walls around you; you can be a prisoner on the outside too He was starin' at that mirror put there  
At the highlights in your deep breath red hair  
Do you like your shell green eyes?  
Just rub your hands against a girl's white thigh [Chorus] I saw you on the back deck last night  
I could tell you two were havin' a fight  
Look into those shell green eyes  
He's beggin' you to change your mind I know you really like your red hair  
'Cause he was cryin' to the thin black cold air  
You had a certain glow last night  
Laughin' with your friends as you drove outta sight [Chorus]
