Mister Wrong

Lloyd Cole

I know that I've been wrong
And I have no one to hang it on
So I take you by the hand
And I ask you please to understand
I just want to see you smile
But all I ever do is make you cryGuess I'm tough to be around
Babe, you're tough to be away from
You know every place I've been
Every place I wish I'd never seen
Now I just want to see you smile
But all I ever do is make you cryYou know what you're doing
It's a very special thing to ruin now
You know what you're doing
But you don't know why
Oh ohNow I know what you've been thinking all along
You're saying, oh oh no Mister wrong
Oh oh oh Mister wrong
Oh oh oh
